

ASPIRE CARDIO

LifeFitness

SIMPLICITY REFINED

ASPIRE CARDIO

- Improve operational efficiency.
- Create memorable exerciser experiences.
- Enhance club aesthetics.

STYLISHLY INTUITIVE

Combines modern design with intuitive functionality. The sleek look, available in either Arctic Silver or Smooth Charcoal, allows facilities to enhance their aesthetic with equipment that appeals to workout novices and exercise veterans.

ENHANCED CLUB AESTHETICS

LESS IMPACT MORE COMFORT

The Flex Deck Shock Absorption System uses eight Lifespring shock absorbers to reduce impact on the joints.

ASPIRE
MEMORABLE EXERCISER EXPERIENCES

EXCEPTIONAL WORKOUTS

Aspire builds on the Life Fitness heritage of advanced biomechanics to create memorable exerciser experiences.

Life Fitness

ASPIRE

Wearable technology has been at or near the top of the annual American College of Sports Medicine trends survey since 2016.

SMART BUT SIMPLE

The SL console is an LED console that's innovative, one that has evolved. NFC, ANT+, Bluetooth® and Apple Watch® compatibility are built in, offering the connection exercisers want and expect.

EASY TO OWN AND OPERATE

Advanced engineering improves efficiency and limits downtime. Simplified mechanics make maintenance easier and add reliability.
